

2024-2025 Activities

NH Jump\$tart celebrated our 25th anniversary in 2025! We look forward to continuing our mission of youth financial literacy in New Hampshire!

Here are the results of this year's activities:

We met with over **575** second grade students from **17** elementary schools with our [I Can Save](#) program which focuses on needs and wants with an emphasis on saving, spending, and sharing.

Over **450** students from **14** schools participated in the online portion of the [FinLit300](#) tournament with the teams from **Raymond High School** and **Newfound Regional High School** finishing 1st and 2nd, respectfully.

We were pleased to introduce a new program from NH Jump\$tart called [The Reality Check Tour](#). NH Jump\$tart volunteers visited with high school students to have a conversation about money management goals and realities.

75 teachers attended the May [Classroom Connections](#) workshop for a full day of presentations!

112 players participated in our annual charity golf tournament in August which successfully kicked off our fund-raising efforts for the upcoming year.

We look forward to resuming all of these activities beginning again during the 2025-2026 academic year.
