2026 Activities

NH Jump$tart entered its next quarter century in 2026! We look forward to continuing our mission of youth financial literacy in New Hampshire!

And in this academic year, a ½ credit, standalone course in personal finance is now a state graduation requirement in New Hampshire! Here are the results of this year's activities:

We met with over **550** second grade students from **16** elementary schools with our **I Can Save** program which focuses on needs and wants with an emphasis on saving, spending, and sharing.

Almost **500** students from **14** schools participated in the online portion of the **FinLit300** tournament with the teams from **Bow High School** and **Trinity High School** finishing 1st and 2nd, respectfully.

We were pleased to bring back our new program from NH Jump$tart called **The Reality Check Tour**. NH Jump$tart volunteers visited with high school students to have a conversation about money management goals and realities.

85 teachers attended the May **Classroom Connections** workshop for a full day of presentations!

116 players participated in our annual charity golf tournament in August which successfully kicked off our fund-raising efforts for the upcoming year.

We look forward to repeating all of these activities beginning again during the 2026-2027 academic year.
